MOTION MADE FOR ADDITIONAL FINDINGS DENIED

FAPP-M'QUILLAN CASE IS AGAIN BROUGHT UP IN DISTRICT COURT.

A motion for additional findings in the case of Fapp versus McQuillan was denied in the district court today by Judge Mark R. Averill. The case, which was instituted during the time when Judge O'Brien occupied the bench in the district court was heard last year by Judge Averill, who ruled in favor of the plaintiff. The suit was brought to recover a portion of the machinery of the New England Tonopah mine. The plaintiff purchased the property under tax sale, but the defendants were awarded some of the machinery as payment of a bill of hauling. A number of delays were occasioned in the plaintiff securing the property purchased and a suit was instituted. The denial of the additional findings leaves the case practically the same as when it was decided last year.

FEATURE FILM FOR TONIGHT IS A ROARING COMEDY

PROGRAM FOR TODAY CONSISTS OF THREE NEW REELS OF UP-TO-DATE PICTURES.

The program of the Butler theater today consists of three new reels of film that are all exceptionally good. "The Count that Counted" is a roaring good comedy from start to finish, and "Daisies" is one of those delightful vitaphone dramas. Next Monday evening Mr. Julius Goldsmith, the well-known local violinist, will lead the orchestra, which will be another attraction to the already exceedingly popular playhouse.

SENTENCE WILL BE IMPOSED ON MURDERER PEART

On motion from defendant's own counsel the appeal of Frank Peart, convicted of murder in Humboldt county, was yesterday dismissed from the files at Carson City and an order was entered by the supreme court instructing the district judge to fix the time of execution of sentence. Peart killed a victim in a pistol duel on Main street in Mazuma some six months ago. He was tried and found guilty. Attorney McCarren, who represented Peart, stated that he was unable to find matter to sustain the appeal and it is now believed that an appeal to the board of pardons will be made after the sentence is imposed by the court.

APPLIES FOR RELEASE ON WRIT HABEAS CORPUS

NO COMPLAINT HAS BEEN ISSUED AGAINST INDIAN ACCUSED OF MURDER.

A writ of habeas corpus was asked today by J. K. Chambers, attorney for Tony Wilson, the Indian held in the county jail, for murdering a half-breed Mexican about a week ago. Judge Chambers, in the writ, stated that no complaint had ever been issued against the Indian and there was no legal evidence that murder had been committed. The writ further states that the prisoner is being deprived of his liberty.

Judge Averill made an order summoning the sheriff to produce the prisoner in the district court at 2 o'clock tomorrow afternoon, when arguments on the writ will be heard.

SECURE LEASE AND OPTION ON VIRGINIA MINE

MALCOLM MACDONALD AND ASSOCIATES TO WORK BRUNSWICK LODGE PROPERTY.

Malcolm Macdonald, of this city, and a party of San Francisco capitalists have secured an option and lease on the Cosmopolitan property near Virginia and are making preparations to resume work on the holdings. The property consists of two claims and a fraction and it is reported that the main shaft has produced over \$120,000 above the 600-foot level. However as it has been practically undeveloped, the first thing that the new management contemplates as to first work, will be the driving of a tunnel. The mine lies on the famous Brunswick lodes which is attracting considerable attention at present, and there is little doubt that it will develop into a money-maker.

Mr. Macdonald stated today that there was very little to be said about the deal at present, as the option and lease had just been secured, and arrangements for developing the property had not been completed.

HENRY STEVENS CALLED BY DEATH AT SAN JOSE

WILL BE BURIED TOMORROW UNDER THE AUSPICES OF THE MASONS.

Henry N. Stevens, one of the pioneers of Tonopah, died last night at 8 o'clock at San Jose, California, from miner's consumption, from which he had been suffering for about two years. Mr. Stevens was taken to the coast about a year ago with the hope that the lower altitude would prove beneficial to his health, and about two weeks ago he went to Plumas county, but the high altitude proved too much for his weakened constitution and he returned to San Jose only a few days ago. His condition then was very critical and it was the wish of his family to take him to southern California, but his condition would not allow the trip.

Mrs. Stevens was summoned below a little over a month ago and has been constantly with her husband since that time. Several days ago when it became apparent that the end was near, Lester Stevens, a son, was summoned from National and was at the bedside of his father when the end came. A daughter, Mrs. Gladys Smith, was also in attendance.

A dispatch was received last evening announcing that Mr. Stevens was slowly sinking and had requested that he be given a Masonic funeral. He was one of the charter members of Tonopah Lodge No. 28, F. & A. M., and was a thirty-second degree Mason. He was the second worshipful master of the local lodge. The funeral will probably be held tomorrow and will be under the auspices of the Masons, in accordance with his dying request. The remains will be interred at San Jose.

Mr. Stevens and his family came to Tonopah about nine years ago, from Delamar. He was interested in mining property here. Several years ago he went to National and secured valuable mining property there. This property he had sold a short time ago for a neat price and at the time of his death, had amassed a fortune.

This community mourns his demise and sympathy is extended to the sorrowing relatives.

RICKARD HAS TROUBLE GALORE

RICKARD CHARGED WITH KEEPING A COW UNLAWFULLY IN CITY OF SAN FRANCISCO.

SAN FRANCISCO, Sept. 15.—Tex Rickard, erstwhile and now a coal operator, was arrested tonight on a charge of unlawfully keeping a cow within the city limits.

It happened this way: Rickard has an interest in the Jeffries-Johnson prize fight pictures which have been showing at a local theater, city ordinance No. 761 puts a ban on pictures of this sort and District Attorney Fickert decided to act against the promoter. A clerk in Fickert's office whose knowledge of the ordinance is limited, charged Rickard with a violation of ordinance No. 731, "An ordinance regulating the keeping of a cow within the city limits."

"Now, I live at the St. Francis hotel," said Rickard at the booking desk, "and deny keeping a cow in my apartments."

GENTLE ZEPHYRS ANNOUNCE ARRIVAL OF FALL SEASON

TONOPAH IS VISITED WITH SEVERAL VARIATIONS OF DESERT WEATHER.

The weather of the past week has sufficed to announce that fall has arrived. For three days the gentle Nevada zephyrs wafted through this city until a good portion of our streets were deposited in the vicinity of Millers, and then came the rain, which conveyed another section of the public thoroughfare Millersward. Today the breezes returned and if the people of Millers do not look out their entire city will be deposited in the vicinity of this city. It is the fall all right and should the wind continue the male populace of this camp may take to wearing veils for protection to the eyes.

\$3.50 Recipe Cures Weak Kidneys, Free

Relieves Urinary and Kidney Troubles, Backache, Straining, Swelling, Etc.

Stops Pain in the Bladder, Kidneys and Back.

Wouldn't it be nice within a week or so to begin to say goodbye forever to the aching, dribbling, straining, or too frequent passage of urine; the forehead and the back-of-the-neck aches; the stiffness and pains in the back; the growing muscle weakness; spots before the eyes; yellow skin; sluggish bowels; swollen eyelids or ankles; leg cramps; unnatural short breath; sleeplessness and the despondency?

I have a recipe for these troubles that you can depend on, and if you want to make a quick recovery, you ought to write and get a copy of it. Many a doctor would charge you \$3.50 just for writing this prescription, but I have it and will be glad to send it to you entirely free. Just drop me a line like this: Dr. A. E. Robinson, 11206 Luck Building, Detroit, Mich., and I will send it by return mail in a plain envelope. As you will see when you get it, this recipe contains only pure, harmless remedies, but it has a great healing and pain-conquering power.

It will quickly show its power once you use it, so I think you had better see what it is without delay. I will send you a copy free—you can use it and cure yourself at home.
